

How to go get to Bursa

From the Istanbul Ataturk Airport to Istanbul Ferryport (Yenikapi)

We strongly advise to arrive at Ataturk Airport.

Upon arrival at Istanbul Ataturk Airport, you have two options:

Taxi hire a taxi to Yenikapi Ferry Port which takes about 25 minutes and the taxi fare costs approximately 15 €.

Bus within the airport vicinity there are bus stops. Take bus no 96T (see the map below) to Yenikapi (Ferry Port). The bus ride takes approximately 37 minutes

The ferry ticket (20 TL) can be purchased at the ferry port. It is also possible to book or buy your ticket online at the following address:

<https://online.ido.com.tr/iri/portal>

You have to choose the inter-city lines and select Yenikapi at departure and Bursa at the arrival boxes (see the map below).

For those **who have purchased ticket online already**, here is how to proceed: Upon arrival at the ferryport find the automats and slip your credit card. The machine will give you the ticket.

If you **buy the ticket at ferryport**: Make sure you buy the tickets 2 hours prior departure. Only Turkish lira is accepted. Find the queue in front of the counters.

In November there are 2 ferries available from Yenikapi to Bursa daily (7:30 am and 5:30 pm). The voyage takes 90 minutes from Yenikapi Ferry Port / Istanbul to Guzelyali Ferry Port / Bursa.
